

Ohio Revised Code

Section 1567.65 Prohibition against smoking or carrying smoking materials.

Effective: October 29, 1995

Legislation: Senate Bill 162 - 121st General Assembly

No person shall smoke or carry smoking materials or matches or lighters for smoking material in an underground coal mine or any underground gaseous metal or nonmetal mine. Smoking in nongaseous metal and nonmetal underground mines or in or about surface structures of any mine shall be restricted to places where it will not cause a fire or hazard.
